

Annual Report of the Independent Review Committee of the Integra Group of Funds

March 3, 2010

IRC Annual Report to: Securityholders in the Integra Group of Funds (the "Funds") as listed at the end of this report

Dear Securityholder,

In accordance with **National Instrument 81-107 *Independent Review Committee for Investment Funds*** ("NI 81-107" or the "Instrument"), the Manager established an Independent Review Committee (the "Committee" or "IRC") for the Funds. The IRC became fully operational on October 22, 2007 and, after that date, has functioned in accordance with the applicable securities laws, including NI 81-107. The IRC is composed of three individuals, each of whom is independent of the Funds, the Manager and each entity related to the Manager (as defined in the Instrument).

In accordance with the Instrument, the mandate of the IRC is to consider and provide recommendations to the Manager on conflicts of interest to which the Manager may be subject when managing the Funds. The Manager is required under the Instrument to identify potential conflicts of interest inherent in its management of the Funds, develop written policies and procedures guiding its management of those conflicts and request input from the IRC on those written policies and procedures, hereinafter referred to as the Conflict of Interest Matters manual.

When a conflict matter arises, the Manager must refer its proposed course of action in respect of such conflict to the IRC for its review. While certain matters require the IRC's prior approval, in most cases the IRC will provide a recommendation to the Manager as to whether or not, in the opinion of the IRC, the Manager's proposed action provides a fair and reasonable result for the Funds. For recurring conflict of interest matters, the IRC can provide the Manager with Standing Instructions ("SIs") that enable the Manager to proceed with certain matters without having to refer them to the IRC each time for approval, providing the Manager deals with the conflicts in accordance with the SIs.

The IRC is empowered to represent the best interest of the Funds in any matter where the Manager has referred a conflict of interest matter to the IRC. In those cases, it has sought to ensure that the Manager's proposed course of action represents a fair and reasonable result for the Funds.

The IRC is pleased to publish its annual report to the Securityholders, to describe the IRC and its activities during the year ended December 31, 2009 ("the Reporting Period") on behalf of the Integra Funds.
